

POST-RESULTS SERVICES [PRS] REQUEST & CANDIDATE CONSENT FORM

Information regarding fees and deadlines can be found on the information sheet that was included with your results, and on the school website.

In order to proceed with any post-results service request, you must **fully complete** and **sign** this form. This confirms that you have understood what the outcome of an enquiry might be, and that you give your consent for the service requested. You must also obtain the relevant subject tutor's signature for each subject request. The completed **form** should be taken to the Exams Office by the appropriate deadline to be processed.

FORMS WILL NOT BE ACCEPTED AFTER THE DEADLINE

Please Note:

If the school makes an enquiry about the result of one of your exams (i.e. a paper is re-marked), after your subject grade has been issued, there are three possible outcomes:

1. Your original mark is confirmed as correct, and there is no change to your mark/grade.
2. Your original mark is raised so that your final mark/grade may be higher than the original mark/grade you received.
3. **Your original mark is lowered so that your final mark/grade may be lower than the original mark/grade you received. Please be aware that in this case, the LOWER mark will count.**
