PE kit during the cold weather

With the weather now much colder we would like to remind parents that school rugby tops are part of the school PE kit and we expect students to be wearing them. They can be purchased from Initially Yours: <http://www.initiallyyours.co.uk/index.htm>

Many students will be participating in PE activities outside during the upcoming months and therefore it is important that they are dressed appropriately. For outdoor activities students are welcome to wear a long sleeved top - for example a base layer - under their PE kit *as long as it is black or white*.

If you are in any doubt about the kit please do not hesitate to contact the PE department.
