Week commencing	Topic	Code	R	A	G
05/01/25	Expand double brackets	U768			
	Negative indices	U694			
12/01/25	Enlargement	U134			
	Factorise quadratics	U858			
19/01/25	Density and pressure	U842			
	Combining transformations	U766			
26/01/25	Similar shapes – area and volume	U110			
	Solving quadratic equations	U960			
02/02/25	Cumulative frequency graphs - drawing	U182			
	Expanding triple brackets	U606			
09/02/25 (PPE 2)	Simplifying algebraic fractions	U294			
	Volume of composite shapes	U543			
16/02/25	Half Term – Independent Study – Refer to your RAG Feedback Sheets from the November Mocks				
23/02/25 (PPE 2)	Surds – multiplying and dividing	U633			
	Cumulative frequency - interpreting	U642			
02/03/25	Surds – simplifying	U338			
	Box plots - drawing	U879			
09/03/25	Surds – add and subtract	U872			
	Comparing populations	U507			
16/03/25	Recurring decimals to fractions	U689			
	Arc length	U221			
23/03/25	Completing the square	U397			
	Sector area	U373			
30/03/25	Pythagoras' Theorem 3D	U541			
	Trigonometry – sides	U283			
06/04/25	Easter Holidays – Independent Study – Refer to your RAG Feedback Sheets from the February Mocks				
13/04/25					
20/04/25	Grouped frequency tables – averages	U877			
	Trigonometry – angles	U545			
27/04/25	Direct proportion – algebraic	U407			
	Trigonometry 3D	U170			
04/05/25	Inverse proportion - algebraic	U138			
	Circle theorems	U808
