Week commencing	Topic	Code	R	A	G
05/01/25	Surds – rationalising the denominator	U707			
	Pythagoras' theorem 3D	U541			
12/01/25	Surds – multiplying out brackets	U499			
	Trigonometry 3D	U170			
19/01/25	Histograms – drawing	U814			
	Triple brackets	U606			
26/01/25	Histograms – interpreting	U983			
	Solve quadratics by factorising	U960			
02/02/25	Histograms – averages	U267			
	Solve quadratics by completing the square	U589			
09/02/25 (PPE 2)	Vectors – solving geometric problems	U781			
	Quadratic formula	U665			
16/02/25	Half Term – Independent Study – Refer to your RAG Feedback Sheets from the November Mocks				
23/02/25 (PPE 2)	Vectors – proof	U560			
	Volume of frustums	U350			
02/03/25	Composite functions	U448			
	Solving single inequalities	U759			
09/03/25	Sine rule	U952			
	Finding inverse functions	U996			
16/03/25	Cosine rule	U591			
	Solving quadratic inequalities	U133			
23/03/25	Growth and decay	U988			
	Area of a triangle (sine)	U592			
30/03/25	Equation of a circle and tangents	U567			
	Graphs of exponential functions	U229			
06/04/25	Easter Holidays – Independent Study – Refer to your RAG Feedback Sheets from the February Mocks				
13/04/25					
20/04/25	Circle theorems	U808			
	Trigonometric graphs	U450			
27/04/25	Graphs of inequalities	U747			
	Fractional indices	U772			
04/05/25	Transforming graphs	U455			
	Algebraic proofs	U582
