

## Year 11 Guided Revision

**Subject:** Science (Higher Tier)

### Resources:

- CGP revision guides. Available to buy through the school using Scopay. You will have received an email with a link to be able to buy this.
- [www.senecalearning.com](http://www.senecalearning.com) – You already have access to **Seneca** and will be using it for homeworks. If you want to access the full course you can do this by clicking 'Courses'
- <https://www.youtube.com/@Freesciencelessons>
- <https://www.youtube.com/@Cognitoedu>

Speak to your teacher if you would like specific tasks (notes and exam questions) to complete on each week's topic.

|                                     |                                        |
|-------------------------------------|----------------------------------------|
| <b>Wb 5th January</b>               | Cells                                  |
| <b>Wb 12th January</b>              | Atomic Structure                       |
| <b>Wb 19th January</b>              | Waves                                  |
